Do You Need An Attorney in Trademark Registration?

Set up your brands for success! The United States is the most difficult country in the world to register a trademark. The trademark process in the United States takes approximately one year and is fraught with pitfalls. Approximately 70% of all applications receive a refusal. Many of these refusals can be overcome by strategic work of a licensed trademark attorney, but DIY-applications generally are NOT successful.

We are a law firm - every application via Trademark Elite is filed by licensed trademark lawyers. Unbeatable Attorney Service in both Professionalism and Price.
